

TRADITION in reliability, MODERNITY in the standard of service

VOLÁNBUSZ Transport Company Ltd., as a public transport provider and operator, has been serving the demands of its passengers, for 90 years.

The name of **VOLÁNBUSZ** guarantees:

- **Reliability.** We always carry our passengers to their destination, by their demands.
- **High quality of the service.** Our modern fleet of coaches, and our qualified, passenger-centred drivers with outstanding problem solving ability, suit to the all-time requirements.
- **Legality.** We take care of the law and the rules concerning our drivers, so they are never weary and always able to concentrate on their task.
- **Versatility.** You cannot ask impossible of us! We have one of the greatest coach fleet in Hungary, so can satisfy extra demands, and orders for even high volume of coaches.
- **The international standard of service.** As the member of Europe's No.1 and longest established pan-European scheduled service coach brand, Eurolines, our company launches routes in many cities of Europe (London, Paris, Rotterdam, Firenze, Frankfurt, Vienna, Krakow etc.), beside thousands of inland routes.
- **Great price-to-value ratio.** We offer our quality services at competitive prices.

We are waiting for you on the board!

From our special offers*:
