

A map of Szabadság tér (Freedom Square) and the surrounding area. The map shows several streets and bus routes. A yellow dashed line with black dots indicates a bus route. A red 'X' marks the intersection of Szabadság tér and Dózsa György utca. Walking distances are marked with black figures and text: 5 perc (5 minutes) from the top left to the intersection, 3 perc (3 minutes) from the intersection to the top right, and 4 perc (4 minutes) from the intersection to the bottom right. There are three bus stop icons (blue squares with a white bus) and three yellow callout boxes providing route information. The background shows a residential area with brown buildings and green spaces.
